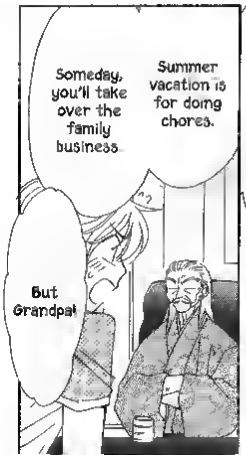
SUMMER VACATION STARTS TODAY!

You look happy, Lord Yuto.
Oh, boy! The pool!
Let's swim!
Let's go play, Yuto!
First let's swim in the pool!



Someday, you'll take over the family business.
Summer vacation is for doing chores.
But Grandpa!

It's summer vacation!
Why do I have to run an errand today?!

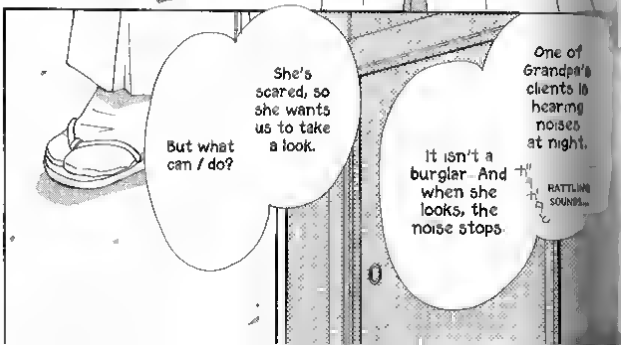
Yuto! Come over here for a second.
Jade and Rin, too!
I'll use the whale float that I bought!
Can we have snow cones?
After we swim!
WOO-HOO!

Get ready to swim, Rin!
Of course! It's summer vacation!

You look good
We're all dressed the same!
Relax, Lord Yuto
I wanna swim...
Image may be important...
but there's a limit!
And we have to wear these tacky robes!
Some sorcery stuff
What do we have to do?

GULP
Stop your complaining and get moving!!
You two, also!!

This SUCKS!



But what can I do?
She's scared, so she wants us to take a look.
It isn't a burglar. And when she looks, the noise stops.
One of Grandpa's clients is hearing noises at night.
RATTLING SOUNDS...

He's just too lazy to do this himself!
He's so bossy!
He ruined our swim time!
That old geezer!
Damn!

Rin...
I'll be by your side.
No matter what happens, Lord Yuto, I will help you

Uh... sure.
OK?

My family is just a bunch of fakes.
How embarrassing
SIGH
JUST MUTTER SOME NONSENSE, GIVE HER A WRITTEN PRAYER, AND LEAVE!
That's what Grandpa said...
...but I don't like lying.

There's no need to look so down, Lord Yuto
I shall be there to assist you.
Yeah but.
It will be fine, Lord Yuto

The finest of his day.
He was splendid.

At first it was soft, but now it's getting louder
I hear noises in here every night, even though there's no one in there

H-Hello... I'm Hikami
And these are my assistants
Kids?! Are they for real?!
Thank you for coming
Oh! I've been waiting

Good work, Lord Yuto!
Phew! We got through that—somehow

I WONDER WHY
ALL I DID WAS COPY THAT GUY
BLOWING ON IT ACTUALLY WORKED.

AND WHAT IS THIS BALL?
AND ANYWAY.
—WHO WAS THAT GUY?

The problem's taken care of!
Nothing to worry about, ma'am
SPIRIT BUSTERS!

Thank you so much!
—but now I'm glad I called you
I wasn't sure what to think at first—
I don't think this ball will cause any more trouble—

THERE'S SO MUCH I DON'T UNDERSTAND

The next day...

I'm too tired today
How about tomorrow?
Yesterday wore me out
Can we finally go swimming today, Yuto?
Damn, you're a whiner!!
Waah! Pool! Pool! Pool!

but it won't do any good
Even so
They seem to always end up near the boy—
—but they won't be enough
Either way, the boy will put an end to you
He's quite something, isn't he?
I wouldn't expect anything less from a Hikami
He saw me do it once, and then copied it perfectly
I can't wait to see how he turns out

In any case, since Rin is there, nothing too terrible can happen.
But still, why is *he* with Yuto?

You're the Water God!! You clean the bathtub!!

They're from the underworld -
When he sees vengeful spirits, he doesn't seem to realize what they are
Yuto is something else-
-I don't understand
-it's unusual that he can see them
I don't think he even knows-

What do you mean?
-but why would so many come here to the Hikami family land?
Low-level spirits are attracted to you and me
My Master, Yuto's ancestor, erected a barrier here
It's a sacred site

-what're you getting at?
So-
That evil spirits would come here in such numbers is surprising
It does seem, however, that large ones cannot come

. HE RELEASED THE SEAL THAT WAS BINDING YOU..
..AND RELEASED THAT CHILD UNTO HEAVEN..
..AND ALLOWED KYO TO BECOME HUMAN AGAIN (SOMETIMES)
What an intriguing person
Not only has the Hikami family's power been dormant for generations..
..but Lord Yuto's *strength*
is completely unconscious
With one touch..

It's enough that he's just Yuto.
What does Yuto's power matter?
Only a little more to go!
Exactly who is Lord Yuto?
Without any training or discipline, he possesses the spiritual power to make a difference in the world around him.
Thinking about it won't do any good. His power's too haphazard.
Stop talking like that.
If we don't firmly comprehend his power and address it...
Give it a rest, wouldja?!
How can you say that?! We're talking about our great Lord Yuto!!
These spirits... are appearing more often
He should know how to by now.
Can he defend himself alone?
GRR
I agree, but

I will protect Lord Yuto no matter what happens!
I would say the same thing!
...

Don't say too much?!
I wouldn't want to upset him
Don't say too much about this to Lord Yuto
You're the one who brought all this up!
Don't worry! As long as I'm here, no one will even lay one finger on Yuto!!
I know, but we don't know who the enemy is yet!
So we have to protect him!

I finished!
BAM
I did it!

Jade?
Rin?
SILENCE
Uh..
Jade! Rin! Sorry I made you wait!
Free at last!
RATTLE

...
You'll have to leave his side sometime, you know...

HMPH
Yikes...
...the problem?
What's...
What's the matter?
What's up, guys?
Why so glum in here...?
Nothing.
Kaw! Kaw! Kaw! Kaww!
(Waah! Yuto! They're in a bad mood!)

Another—
ball?
What's this?
?!
What a mess...
I WONDER WHAT CAUSED IT THIS TIME?
...BUT THIS TIME IT'S WORSE
THEY'VE ALWAYS FOUGHT A LOT
It doesn't usually drag on to the next day
Why should I have to worry about them?!
むか
APRGHH
Dammit!

We...
...have something to ask you...
WHO ARE-?
Huh?
WHO ARE THESE GUYS...?
Have you seen one of those before?
You mean this ball?

You mustn't interfere any longer
Huh?!
Agh!
GRAB

Yes
You have some just like it, don't you?
なんで Uh... Why-?
They serve an important function
I'VE GOT A BAD FEELING...

What's going on?
Agh...
What's...?

CRUSH

You must DIE.
You're a nuisance.
Die?! Me?!
Balls ? The ones I found?
As always, you're too hot-blooded
All we needed was a promise that he would turn the balls over to us

What did you do *that* for?!
Ow!
...
COUGH
COUGH
COUGH
He does indeed—
—have considerable power
Agh!
He must be...
...destroyed!!

FZAZZZ

Uqqhh!
THUD
Wha—?!

Jade!
Rin!
Who *are* these buttheads?
BOOM
Aaaagh!

Damn!
Hey, creeps!
What do you want with Yuto?!
CLOMP

Well? Are we gonna do this or not?!
Whoa!
FSHOOOM
HMPH
They got away.
Huh?

Heh!
I'll kill you both then!
What?!
Never!
I don't know—but they want to kill me!
?!
GRAB
No.
That can wait
We must report this
He may just be a kid with power—but his friends are something else entirely
